24th November 2014

Dear Friends,

Alumnorum Societas (ALSOC) is proud to announce our much awaited fellowship event “**Confluence 2014**” our 37th Annual Reunion on Saturday, 20 December 2014.

With your continued and unstinted support over the years, Alsoc has grown from strength to strength and continues to grow and do service to the school and to the society. The Annual Reunion gives all Xaverians an opportunity to meet our batchmates, renew friendships and also to renew our pledge : “*Repay our debt to society*”.

Friends, today we have many ways of connecting with each other, but this has made us meet lesser and lesser by way of face to face communication. Let us come together in true Xaverian Spirit and make this a meeting of minds where not only do we enjoy and have a good time, we also renew our bond with friends of yesteryears and our Alma Mater.

On 20 December, 2014, I ask you to be at the grounds of our Alma Mater, spread the word through the myriad communication avenues available, connect with friends far and near and make the presence of your Batch felt in the reunion. We have special “*Batch Tables*” for batches who confirm an attendance of minimum 20 persons of their batch. This is a little Thank You for making that extra effort.

All Xaverians – whether member of Alsoc or not are invited to the Reunion. Come be a part of the celebration of the meeting of minds.....

NIHIL ULTRA

For ALUMNORUM SOCIETAS

Vivek Jaiswal

Convenor, 37th Reunion

ALSOC : Serving Humanity....

Service to the Community and Society

ALSOClinic

Xaverian doctors have been strongly involved with:

- Running mobile clinics;
- Imparting free medical treatment and training;
- Conducting immunizations;
- The drive for the eradication of malaria and hepatitis; and
- Conducting awareness campaigns and educating health related workers in the area of neo-natal care in the remote areas and villages of India.

St. Xavier's Evening School (Titli)

Alsoc supports the evening school run by SXCS for about 150 children from marginalised families. Providing literacy and vocational training helps to empower their lives and pave the path for a better and more quality life.

Adopt-A-Boy Scheme

Ensures that no student of SXC is forced to discontinue his studies due to financial constraints, and also adopts hearing-impaired students of the Oral School For Deaf Children.

Bagi School Project

Alsoc has been extending a helping hand to the girl's school in the remote village of Bishnupur, South 24-Parganas, in the form of financial support for the salaries to some teachers, and material support. Alsoc is planning to build a new complex for the school.

Help during national calamities

ALSOC has generously contributed to the alleviation of sufferings of victims of **national calamities** like earthquakes, cyclones, floods and wars, and has stood behind its brethren at many such difficult times. Alsoc extended prompt support during tsunami in the form of relief material to some of the worst affected areas along the eastern coast.

Alma Mater: Our extended family

Various projects for the **maintenance** of the school have been undertaken by ALSOC, in order to provide 'world-class' education to boys who will become men of the future.

The Adopt-A-Boy Scheme, the **Passing Out Ceremony**, and our active support to the **Student Exchange Programme** with Ireland and China, signify ALSOC's commitment to providing the best opportunity, motivation, and the exposure to students in our Alma Mater. ALSOC has undertaken major '**Alma-Mater Projects**' and these have already made a difference to the quality of education at St. Xavier's School. Major projects have been taken up, and executed, by Alsoc in the last few years. The goal is to keep our institution world class, not only now, but also for at least the *next* few generations!

Plans have been drawn up for the following initiatives which are awaiting implementation:

- Improvement of the residential facilities for the **support staff** in the Primary School
- Expansion of the Primary School building to add **more class-rooms**
- The **Centre of Sporting Excellence**
- Medical Insurance** for teachers
- Endowment** for chairs for specialized teachers of senior classes and many more

We look forward to your generous support for these special projects that will make a substantial and real difference to the quality of education at St. Xavier's school.

Membership: Our immediate family

Interaction and promotion of fellowship for our members through various events:

<ul style="list-style-type: none"> • Reunion • Felicitations • Alsoc Day 	<ul style="list-style-type: none"> • Debates • Drama • Alsoccer 	<ul style="list-style-type: none"> • Alcricket • Membership Directory • Revitalisation of other Chapters
